**Interactive Decodable Text Sets**

These Interactive Decodable Text Sets include everything you need to help students master the essential literacy skills they’ve already learned. Each research-proven, developmentally appropriate, scaffolded lesson covers all the components of reading (blending, vocabulary, comprehension, phonics, phonemic awareness, and fluency). The lessons are intentional, simple, and well structured—providing enough information and guidance but allowing for modification to meet students’ needs. Highlights

- Sets include 6 durable, write-on/wipe-off, double-sided cards for each story. The story is on 1 side, and the other side includes blending and writing practice.
- Divider folders for each set of story cards contain lesson plans that cover word work, sentence dictation, vocabulary, and comprehension questions.
- Printable assessments and sentence dictation worksheets are available digitally.
- 3-year eBook license with exclusive digital resources is included in the purchase price.
