- 1 Apply the glue stick to the backing of your Easter basket and handle.
- 2 Press the glue side of the basket and handle onto the back side of the patterned paper and gently smooth down with your fingers to remove any air bubbles. Set aside to dry.
- 3 Carefully cut away the excess patterned paper, recutting along the pre-cut Easter basket lines.
- 4 Use the pre-folded lines of the basket to fold the basket into its shape and glue into place.
- 5 Decorate your basket with shredded paper, Easter chicks and embellishments of your choosing.
- 6 Done! The perfect hunting basket is ready for chocolate egg hunting!

TOP TIP

Younger children will enjoy decorating their baskets with scraps of paper or paint rather than one sheet of patterned paper.
