Year 1

Classroom Clock Kit

Year 1: Introducing Time – O'clock and Half-Past

Curriculum Links:

+ **AC9M1M03:** Name and order months and seasons; use a calendar to identify the date and determine the number of days in each month.

Lesson Objectives:

- + Recognise and read times to the hour and half-hour on analogue clocks.
- + Understand the concepts of “o'clock” and “half-past.”

Lesson Activities:

- + **Clock Familiarisation:** Introduce the Classroom Clock Kit, highlighting the hour and minute hands.
- + **Matching Game:** Students set their mini clocks to display times called out by the teacher, focusing on “o'clock” and “half-past” times.
- + **Daily Schedule Discussion:** Discuss daily activities and associate them with specific times (e.g. “We start school at 9 o'clock”).

Differentiation:

- + **Support:** Provide additional practice with “o'clock” times before introducing “half-past.”
- + **Extension:** Introduce quarter-past and quarter-to concepts for advanced learners.
