Year 1

Speak & Listen Phone Classroom Pack

Year 1: Enhancing Listening and Speaking Skills

Curriculum Links:

+ **AC9E1LY02:** Use interaction skills when engaging in discussions, varying conventions of spoken interactions according to the audience and purpose.

Lesson Objectives:

+ Improve active listening and clear speaking abilities.
+ Understand the importance of turn-taking and effective communication in conversations.

Lesson Activities:

+ **Paired Conversations:** Using the Speak & Listen Phones, students engage in guided dialogues, practicing listening and responding appropriately.
+ **Story Retelling:** One student tells a short story through the phone and the partner retells it, focusing on key details and sequence.
+ **Listening Games:** Play games like “Telephone” to emphasise the importance of clear articulation and attentive listening.

Assessment:

+ Monitor students’ participation and effectiveness in communication during activities.
+ Provide feedback on clarity, volume and listening skills.

Differentiation:

+ **Support:** Provide sentence starters or prompts to aid in conversation.
+ **Extension:** Introduce more complex topics for discussion or storytelling to challenge advanced students.
