## Supporting Teachers with Ochre Education Evidence-Based Primary English Resources

Ochre Education's English resources have been expertly designed to support teachers in delivering high-impact, evidence-based English lessons aligned with the Australian Curriculum, Victorian Curriculum, and NSW Curriculum. Every unit includes detailed curriculum planning materials and aligned comprehensive instructional materials including assessments. Resources are downloadable and fully editable, giving teachers the freedom to customise lessons to their students' needs. All materials can be freely accessed by creating a free account on [www.ochre.org.au](http://www.ochre.org.au).

### Built Around High-Quality Texts

At the heart of each unit is a rich and complex text that has been carefully selected to provide the opportunity for rich discussions, student reflections and models of great writing. The texts featured in the novel studies are written by a range of authors, both Australian and international, and collectively provide students with a range of voices.
